

HEXTEL
Season 1: Episode 1

Written by Mr. M. Horror
Inspired by `Mdotstrange Animations

Edited by : Sabine Solomon

SCENE 1: (Dark Room)

A lot of blank faced wooden mannequins stand like an army in a dark room. Slowly, a slender, black nailed hand reaches down and grabs a boy-like mannequin.

Sinister Voice:

“Some say when they die their souls are brought to a place that is Heaven and Hell combined.”

Holding a thin paint brush, the black nailed hand is painting the face – the eyes and the mouth – the face of a boy.

Sinister Voice:

“A place that’s similar to Earth where they think that when they die, their souls go elsewhere.”

The black nailed hand paints dark blonde hair on the mannequin as well as shorts and dark blue boots. On his zipper shirt on the right hand side, the hand paints a fire design.

Sinister Voice:

“This is Hextel!”

SCENE 2: (Dark Room Gate)

A boy named Ruben Tuski wakes up in a dark room and sees a big open door saturated in light. Looking back, is the slender black nailed hand painting another face on a mannequin. Suddenly, red eyes stare back at Ruben and he gets scared. He runs as fast as he can to the big door and makes it safely outside. But something or someone sees Ruben running...this shadowy figure grins its sharp tooth grin.

SCENE 3: (Dark Forest)

Ruben keeps running until he stops and kneels down. With a sadness

on his face, Ruben looks down upon his mannequin hands! He then looks forward to the forest path.

Ruben Tuski:

“So this...this is the place where souls go!”

Getting a flashback of when he was still alive, Ruben remembers the nuke bombs which fell in his home city – his only memory! Suddenly, he hears a twig snap, then steps. Ruben looks around and back at the path he just took. He starts to walk through the forest but he can still hear footsteps, louder and louder. Someone is following him.

Voice Sound Effect:

“Rraaaaaaaaaaaaaaaaaaaaaah!”

Ruben dodges a punch and the punch hits the brick road. Ruben looks back and sees a giant four-armed monster with a weird looking face and bloodstained bandages wrapped around its belly. This is Beauty Face Freak!

Ruben Tuski:

“WHAT THE HELL ARE YOU?”

Beauty Face Freak:

“You’re the one to talk...you think I’m ugly?!”

Ruben stares up at his face.

Ruben Tuski:

“Well...you have a wide eye on your left side and a normal eye on the right so I’m guessing you are missing your left eye and replaced it with...that!”

Beauty Face Freak:

“Are you... are you making fun of me?”

Ruben Tuski:

“I’m not making fun of you...it’s just that...”

Beauty Face Freak:

“LIAR! The sorcerer made my face pretty and gave me extra arms

AND operated on my belly so it doesn't hurt anymore!"

Ruben Tuski:

"Wait! Did you say that a sorcerer did this to you?"

Beauty Face Freak:

"Let's just say he was inspired by the Devil!"

Ruben Tuski:

"The Devil?"

Beauty Face Freak:

"And you... you *will* meet him! Let's see how you like it when they make an ugly face of you!"

Beauty Face Freak suddenly launches himself at Ruben. Ruben scrambles out of his grip losing his shirt as he frees himself. Beauty Face Freak freezes and stops in his tracks, his mad eyes fixed upon Ruben's arm.

Ruben Tuski:

"You stopped!!!!"

Beauty Face Freak:

"That mark on your arm!"

Ruben looks down at his left arm and stares at the Japanese skeleton dragon which he remembers as his birthmark when he was still human. He turns to the Freak.

Ruben Tuski:

"This? But this is just my birthmark."

Beauty Face Freak:

"That is the mark of the Creatures! But you are not like them!"

Ruben Tuski:

“What do you mean? What are you talking about?”

Beauty Face Freak:

“WHAT ARE YOU?!”

Ruben Tuski:

“I’m... I’m just a human...well I mean... I used to be!”

Beauty Face Freak:

“Is your father the Creature?”

Ruben Tuski:

“I don’t have a father!”

Beauty Face Freak:

“DON’T LIE TO ME!”

Ruben Tuski:

“I’m serious... really...I don’t know my father...I never even met him.”

Beauty Face Freak:

“What about a mother?”

Ruben Tuski:

“Died when I was seven. Is she here too?”

Beauty Face Freak:

“Well ... yes, her soul is here ... but she might not *see* you when you’re a freak like me.”

Ruben Tuski:

“What? What the Hell!”

Whilst Ruben is still grappling with all this madness, a guy enters the scene. A cool dude who stands in front of Ruben.

Ruben Tuski:

“Who the Hell are you?”

Jamie Rex:

“The name’s Jamie. Jamie Rex. What’s yours?”

Ruben Tuski:

“I’m Ruben Tuski.”

Jamie Rex spots the birthmark on Ruben’s left arm, surprised that Ruben is displaying it so openly. The Freak watches on, agitated and aggressive, he moves closer and roars at him.

Jamie Rex:

“Hurry! Get to the bridge before it’s too late!”

Ruben Tuski:

“What about you?”

Jamie Rex:

“I’ll take care of the Freak. Hurry!”

The Freak is even more enraged by Jamie’s words but Ruben doesn’t hang around. He runs for the bridge.

Jamie Rex:

“So it’s you and me now, Freak!”

Beauty Face Freak:

“YOU’VE ASKED FOR IT YOU SON OF A BITCH!!!”

The Freak charges at Jamie and goes in for a sucker punch. Jamie dodges backwards leaving the Freak punching the ground. Jamie runs towards him doing a kick spin as he goes. He knocks Face Freak to the ground but the Freak gets back up and standing straight, punches Jamie with all four of his arms. Jamie manages to dodge all of them

and then runs circles around Face Freak delivering a karate kick right in the Freaks bandaged belly.

Beauty Face Freak:

"Arghhhhhhh! That hurts...it's still sore."

Jamie Rex:

"That's life!"

The Freak gets angry and lunges crazily at Jamie. Jamie aims a super power punch right in his bandaged belly, knocking him to the floor.

Beauty Face Freak:

"Impossible! How did...how'd you know how to do that?"

Jamie Rex:

"Well you know Freak... no pain, no gain!"

Beauty Face Freak:

"The sorcerer! The sorcerer will kill you all ... and make you ... like what happened to me!"

Then the Freak's head drops and he slumps to the ground, dead! Jamie Rex looks at him for a bit then turns to the direction where Ruben had gone.

Jamie Rex:

(Scoffing) "That fuck face monster had no chance with me! Let's see if this boy Ruben made it out of here alive."

Jamie runs to see if he can see Ruben.

Jamie Rex:

"Let's hope the bridge didn't disappear."

SCENE 4: (The River Edge)

Ruben is almost at the river but as he approaches he notices that there is no bridge – just the river.

Ruben Tuski:

"The bridge ain't there... he lied to me."

Just then, Ruben sees something coming towards him. A big boat that stops at the water's edge. The boat bridge lowers down to the bank and Ruben, fearful, hides in the bushes. He sees something leaving the boat... another wooden mannequin-person walking down the bridge and holding a lantern. Then more and more mannequin-people following.

Soldier 1:

"Enjoy your stay."

Soldier 2:

"Boy...they're really gonna like it here."

Soldier 1:

"Of course! After all, this is Hextel – the place where the souls really go."

Soldier 2:

"Hextel?"

Soldier 1:

"Shh! Did you hear something?"

Soldier 2:

"Hold on a minute."

Soldier 1:

"What?"

The soldier looks into the forest and smells the air.

Soldier 2:

“I smell a new soul!”

Soldier 1:

“Where?”

Ruben is getting scared that they know where he is. Then the soldier sniffs again in Ruben’s direction.

Soldier 2:

“Over there in the bushes!”

Ruben makes a run for it.

Soldier 2:

“Stop him!”

SCENE 5: (Dark Woods)

The soldiers run after Ruben. He runs as fast as he can before turning around to see two lanterns, held tightly in the clasp of two soldiers. He runs faster still, daring to look behind once again. He sees another lantern but this time held by two sexy boob bandits walking with weapons.

Female Bandit 1:

“If there’s a new soul here, we can just rape him.”

Female Bandit 2:

“That’s the whole point girl! When we find that new soul we’re gonna do just that!”

The soldiers move in through the dark trees towards Ruben. On the other side of the woods, the bandits make their way in. Ruben makes

his escape to the east of the woods. Suddenly, the soldiers and the bandits come face to face.

Soldier 2:

“What the Hell are *you* doing here!?”

Female bandit 2:

“Finding that new soul that killed Beauty Face Freak!”

Female Bandit 1:

“And we’re gonna rape him! Hahehahhe!”

Soldier 1:

“No! We’re gonna bring him to Master Rosion. THEN you can rape him.”

Female Bandit 2:

“Fuck you! We’ll rape him first and then bring him to Master Rosion!”

Soldier 1:

“Over our dead bodies!”

The soldier sniffs the air and realises he’s lost the scent.

Soldier 2:

“I lost him!”

Soldier 1:

“What?!”

Soldier 2:

“I lost the scent! That means we can’t find where he went.”

Female Bandit 2:

“Oh nice one you cocksuckers!”

Soldier 1:

“Oh fuck off you bitches!”

Female Bandit 2:

“Fine! Come on girlfriend. Let’s ditch these guys.”

Female Bandit 1:

“Okay.”

Soldier 1:

“Come on man – let’s go.”

Both soldiers and bandits went their separate ways.

Soldier 2:

“Master Rosion is not going to like this.”

Soldier 1:

“Shut up motherfucker!”

Ruben runs as fast he can to escape the bandits and soldiers. He trips over a log and lands on the grass. Then he hears footsteps coming for him and thinks this is it for him!
